SUMMARY

Growth minded Marketing & Operations professional with experience in campaign execution, event coordination, CRM/data management, and demand generation, skilled in Salesforce, HubSpot, and Excel based reporting.

WORK EXPERIENCE

Meta Connect Event Product Demo Specialist (Contract), Channel Partners, Menlo Park, CA

September 2026

- Served as an onsite product specialist for the Ray-Ban Meta Gen 3 launch at Meta Connect 2026. Ran hands on demos for industry tech insiders on the event floor.
- Executed the Gen 3 pilot loaner program as a live product experience. Trained by Meta's product marketing team on specs, the onboarding flow, and launch campaign messaging; guided attendees end to end from demo through setup of newly purchased glasses.

Marketing & Logistics Coordinator, RH, Palo Alto, CA

June 2025 to Present

- Coordinated end to end logistics and operational support for interior design projects, ensuring on time delivery across cross functional field teams.
- Managed daily Excel and Salesforce pipelines to track gallery inventory and shipments, maintaining a 99% data accuracy rate for internal operations and client relations.
- Analyzed supplier performance metrics and product availability, identifying auditing opportunities that optimized inventory.
- Resolved high priority client supply chain issues and inventory discrepancies as primary point of contact, improving client resolution time.

Residential Services Coordinator, LifeMoves, San Jose, CA

August 2019 to July 2023

- Managed a 100+ record client database in Voyager and Clarity, ensuring documentation met compliance standards and reducing data entry errors through revised tracking methods; onboarded and trained 3 new hires on both systems.
- Served as the primary point of contact for facility phone and email inquiries, scheduling and assessing client intakes; supported 20 onsite clients daily with medication distribution, life skills coaching, and conflict resolution.

PROJECT EXPERIENCE

Marketing Coordinator, Purdance Studio, San Jose, CA

February 2025 to April 2025

- Digital Marketing: Redesigned WordPress event pages and launched targeted Mailchimp campaigns, boosting email engagement by 20% and driving a 10% increase in ticket sales.
- Project Management: Directed the annual studio showcase for 80 performers; engineered an Excel based scheduling and forecasting tool that improved on time task completion.

Engagement & Membership Retention Consultant, PFLAG, San Jose, CA

2024 to Present

- Strategy Development: Analyzed 3 years of membership data to identify trends in engagement and drop off; uncovered key insights leading to new retention strategies.
- Marketing Initiatives: Designed new branded marketing materials, including business cards and messaging guidelines. Developing a chapter toolkit to support member onboarding and scalable event promotion.

PROFESSIONAL DEVELOPMENT PROJECT

Omni Channel Marketing, Lululemon (Forage),

2024

- Developed a comprehensive omnichannel digital marketing strategy for Lululemon, focusing on target audience alignment and market positioning.
- Analyzed metrics from a mock Lululemon ambassador campaign, calculating ROI, conversion rates, and engagement rates to deliver optimization recommendations.
