Physical Branding & Outreach

Goal: Strengthen PFLAG's presence at events, improve tabling setup, and offer engaging branded materials.

Best For: Ensuring PFLAG has a polished, welcoming setup at events while offering merch that increases brand recognition.

Breakdown

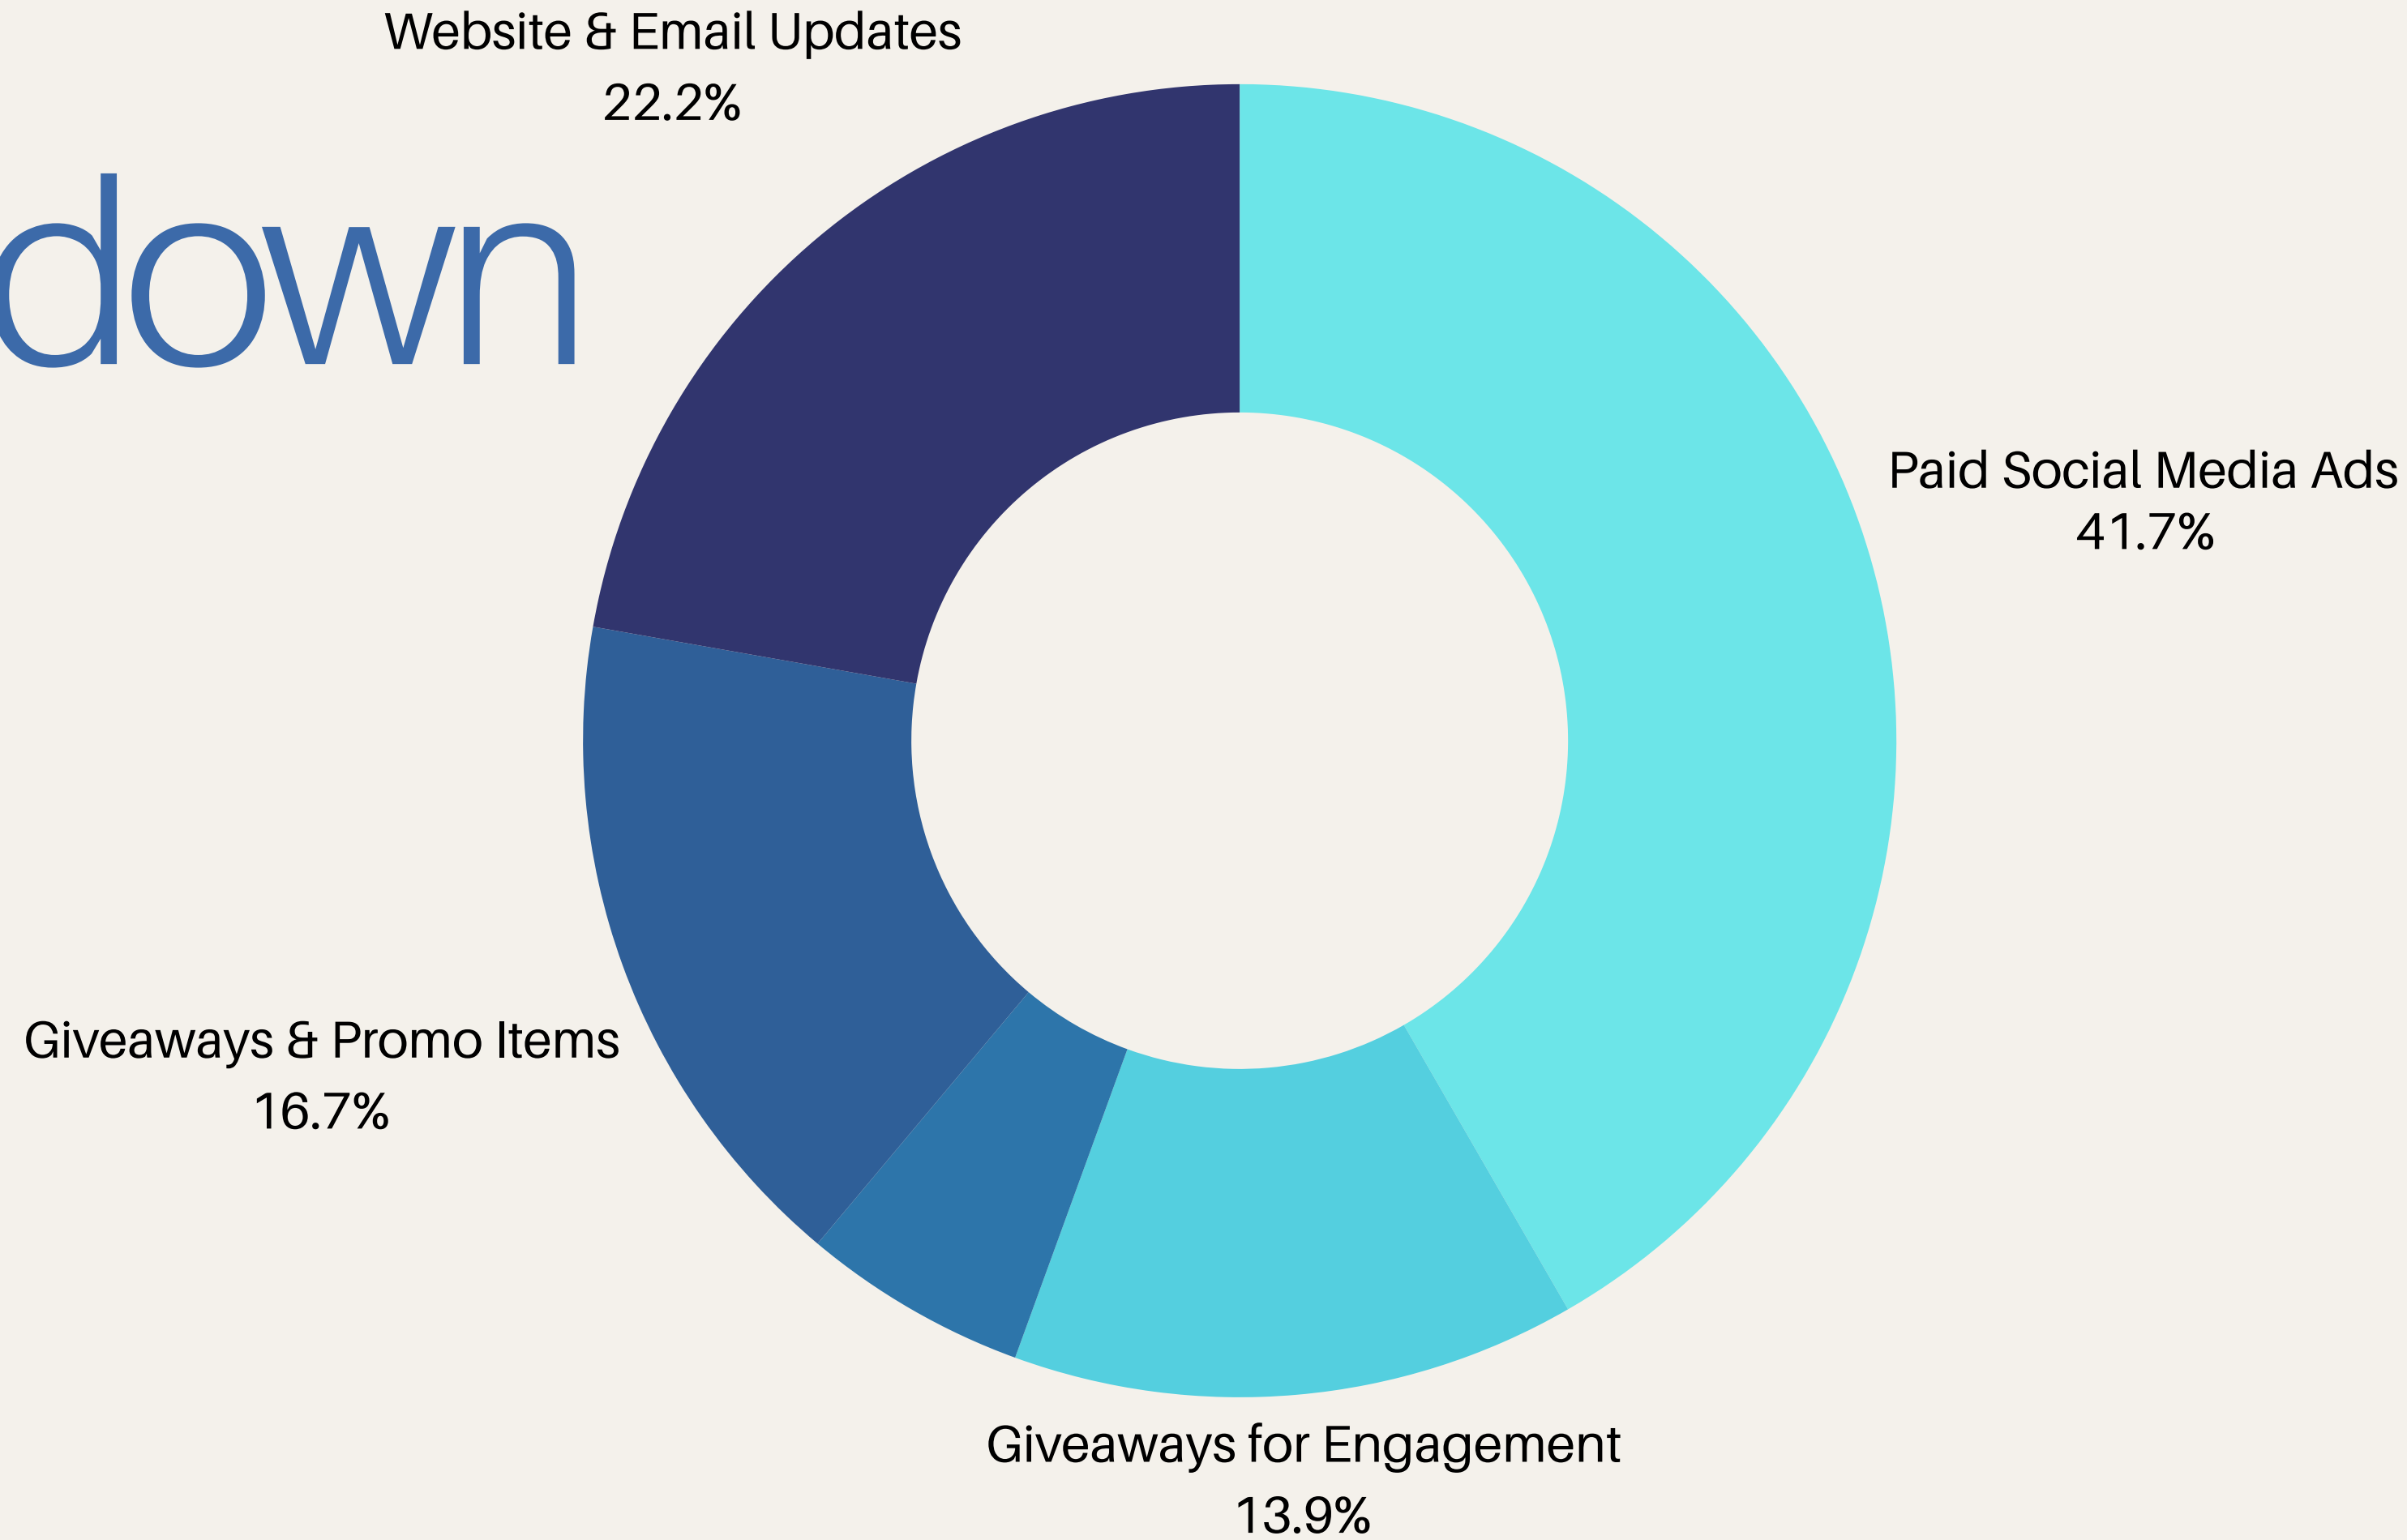

Digital Marketing & Engagement

Goal: Drive awareness, increase online sign-ups, and enhance engagement through digital platforms.

Best For: Attracting new members and improving online engagement to complement in-person efforts.

Breakdown

CPC CPM

Social Network	CPC	CPM(cost per thousand impressions)
Instagram	\$0.20-\$2.00	\$6.70
Facebook	\$0.97	\$7.19

The purpose of running this campaign is to attract more people to PFLAG groups or events depending how the campaign will be utilized.

Strategic Use: Nonprofits can use Instagram & FB Ads to highlight success stories, invite followers to register for events, or promote other initiatives.

Driving Engagement and Donations: By strategically using Instagram Ads, PFLAG can drive engagement and donations.

Zoom Whatsapp FB

Facebook Group

A Private Facebook group that is invite-only, can lend to being a more ease of access for the community we are trying to tap into.

- Safety measures can be taken beforehand and a screening process can help before letting members in. I.e. Messaging Karen or Windsor via email or joining a first meeting

WhatsApp Group

A private group letting members know when group meetings and events are happening

- Safety measures can be taken beforehand and a screening process can help before letting members in. I.e. Messaging Karen or Windsor via email

Zoom Whatsapp FB

Zoom

Zoom meeting links can be posted only on Facebook or Whatsapp group. To ease the barrier of entry to enter these meetings, (Gizella recommendation)

- Safety precaution can be taken by having members placed in waiting room and screened again by Windsor or Karen
- Second safety precaution can have members confirm they will be attending the zoom group beforehand to have an accurate list

Google Survey

Purpose of survey is to have accurate and cross communication lines to meet potential members

- Having email, and phone numbers. Survey can be available in English and Spanish. (Can be migrated to Salesforce.)
